CHARTER OF THE GIANT JUNIOR AMBASSADOR

As a GIANT Junior Ambassador, I commit to:

- Promote and represent the GIANT Campus, educate and inform people about this alliance and its programmes, internally AND externally to my structure,
- Be **fully** and **actively involved** in the organization of the Junior Scientist & Industry annual meeting and the PhD workshops, events of the GIANT campus,
- Be present at **all** preparatory meetings for the event I will be assigned and actively participate: prepare and be constructive during the meetings,
- Be present for the **teambuilding session** at the beginning of the year as well as for the **debriefing session** at the end of the year,
- Be part of the **GIANT mailing list**, subscribe to the GIANT newsletter and follow GIANT on social networks,
- Be active in the **communication groups** and promote all GIANT events and programmes,
- Be **caring, respectful and creative** within the group, towards my peers and the GIANT team,
- Provide my opinion and show initiative in order to pass on my skills but also to learn.

In exchange for this volunteer role, I understand that I can:

- Receive **up to 20-hours certificate***** that can be validated by my doctoral school as part of the required training hours, if I have fully and actively contributed as an ambassador, this certificate will be proportionally distributed according to the number of hours I have contributed. Any absence will result in a withdrawal of hours from the certificate,
- Be supported (by reimbursement) **up to 200€***** for attending a conference or equivalent related to my thesis, if I have fully and actively contributed as an ambassador,
- Receive a **welcome package** with GIANT goodies: Once an ambassador, always an ambassador!
- Be facilitated in my **search for contacts and rooms** (for free in the Y.Spot Partner).

*under conditions of attending all preparatory meetings, organize, be present and help to set up on the day of the JSIAM (20th March 2025); organize at least one PhD workshop; and communicate as much as possible about GIANT

OK, I am completely aware of the commitment expected for the year 2024-2025 ☺
